The following privacy principles were established to maintain the security, integrity and confidentiality of your personal information.

The type of information we collect:

We routinely collect and retain the information we obtain from your account applications, transaction history (for deposits, loans, etc.) and from consumer reports.

This information helps us:

To establish and administer your account. We ask for personal identifying information to protect your account from fraud.

To satisfy and administer your account:

When you open an account that pays interest, we are required by the Internal Revenue Service to obtain your social security number.

We do not share the non-public personal information of our current or previous members with affiliates or nonaffiliated parties except as permitted by law.

How is this information protected?

Access to your personal identifiable financial information is limited to employees with a specific business reason for utilizing this data.
